

RESOLUTION 9

RESOLUTION BY THE TECHNOLOGICAL WORKING

GROUP ON THE FUTURE OF THE APPF WEBSITE

THE TENTH ANNUAL MEETING OF THE ASIA PACIFIC PARLIAMENTARY FORUM:

Noting the agreement at the Seoul meeting in January 1998 to establish an APPF website and recalling the excellent contribution made by the Peruvian Parliament in establishing and updating the website during the past four years; and

Acknowledging the great value of the website in disseminating information about the APPF and in keeping parliaments informed of developments at Annual Meetings;

RESOLVES TO:

1. Request Chairman Nakasone of the Executive Committee of the APPF to ascertain whether the Parliament of Peru wishes to continue to take responsibility for the APPF website or to hand over responsibility to another parliament;
2. Request the host countries of the 10th and 11th Annual Meetings to cooperate to ensure that the APPF website continues to operate and be updated during 2002/3, should the Peruvian Parliament wish to relinquish this responsibility; and
3. Request the Technological Working Group to continue to coordinate activities on technological matters until it meets again on this matter in Malaysia in 2003 to consider an ongoing arrangement for hosting the APPF website.
